

Carleton Place High School

Intermediate Division

Week at a Glance

This is a friendly reminder to all community members that we do attempt to provide every member of the CPHS community with a scent safe experience. There are many members of our school community including parents, students and staff that are sensitive to strong scents. It is very important that we are all aware and considerate of these sensitivities. We want CPHS to be a great place to work and learn for all of our community members. Please feel free to contact our school with questions or concerns.
