

Carleton Place High School

Intermediate Division

Week at a Glance

CPHS believes that every child should be provided with opportunities to be fully included in the school experience. This week our students are continuing to have their swimming skills assessed at the Carleton Place Public Pool. The swim test is very important because it ensures that your child will be able to fully participate in the upcoming trips to the Carleton Place Canoe Club. If you have any questions or concerns about the swim test, please feel free to contact us here at CPHS.
