

Carleton Place High School

Intermediate Division

Week at a Glance

CPHS takes the safety of your children very seriously. This is a reminder that there will be a number of students participating in water activities next week. Every student in grade seven and grade eight has been provided with multiple opportunities to pass a swim test at the Carleton Place Public Pool. Students will only be allowed to participate in water activities following the successful completion of a swim test. Please let us know if you have any questions or concerns about water safety at CPHS.
