Week at a Glance

We hope that your child is off to a great start here at CPHS. We know that our students have many different strengths and interests and the staff here at CPHS volunteer to lead many extra-curricular opportunities for students. Please encourage your child to become part of the school culture here at CPHS by becoming actively involved in one of the many teams or clubs that are available here at our school. Should you have any questions about extra-curricular opportunities please contact us here at CPHS.
