

Carleton Place High School

Intermediate Division

Week at a Glance

We hope that your child is off to a great start here at CPHS. Your child's academic success is very important and we take great pride in the academic program. Student Progress Reports will be shared with students and families on November 7th, 2018. Education should be a partnership between the home and school and we always encourage families to connect with teachers to discuss the individual needs of each child.
