

Carleton Place High School

Intermediate Division

Week at a Glance

We here at CPHS hope that you and your family are well. This is a reminder to our students to dress appropriately for the weather as the seasons and conditions of our school yard continue to transition. We know that physical activity is a very important part of healthy development and we expect that our students go outside during scheduled recess breaks. Your child is always more likely to enjoy their time outside when they are dressed for the weather. Thank you for the support!
